Mr. J. Walker,  
Owen Dixon Chambers,  
205 William Street,  
MELBOURNE, Vic. 3000.

Dear Mr. Walker,

I understand you would like to have a suitably cancelled forged \$10 note as a memento of your part in the recent interesting and lengthy forgery trial, and accordingly I have pleasure in enclosing one of the forged notes overprinted "counterfeit" on the understanding that you will keep it in your personal possession.

I should be grateful if you would acknowledge receipt of the forged note for our records and retain this letter as an authority from the Bank for you to hold it.

Kindest regards.

Yours sincerely,

W. H. Wilcock
